

Paper Walls | The Brick Wall
02.05.23

START TALKING | (Find a conversation starter for your group)

We started a new series this week. To get our “head in the game,” what is a PAPER WALL? Ok, now what is a BRICK WALL?

START EXPLORING | (Read the Bible)

In order to refresh your memory, go back and get an idea of how God moved through Moses’ life to make an impact by reading one of the famous stories of Moses.

Crossing the Red Sea (Exodus 13:17-14:31)

At Mount Sinai (Exodus 19:1-20:21)

Water from the Rock (Numbers 20:1-13)

START SHARING | (Choose a question to create openness)

If you feel comfortable, share a BRICK WALL that you have encountered in your life. (If the questions are too personal and your group is not ready to share at that level, instead discuss what stuck out to you about the message and some key take-a-ways from the message.)

- How has that BRICK WALL made an impact in your life?
- What are you hoping God will do, say, or give you grace for when it comes to your BRICK WALL?
- How can we support and pray for one another this week?

More continued on back

Start Praying. (Be bold and pray with power)

“Heavenly Father, I know you know my brick wall. While others may not know, and I don’t want them to know—you know. Will you bring healing and comfort to me? Give me your perspective and redeem this for your glory. Over the next few weeks, will you minister to me around the walls that I have PUT UP – either these Paper Wall excuses or these Brick Walls that have created a lot of hurt and pain in my life? I want to be who you want me to be through your love and plan for my life. In Jesus name, amen!”

Start Doing. (Commit to a step, and live it out this week)

PAPER WALL APPLICATION: This week, rather than making excuses and framing them as reasons or a “because,” we are honest and say, “Well, my excuse was...”

BRICK WALL APPLICATION: Spend additional time praying and reflecting on how God might minister His grace to you. Remember, your brick wall is NOT the end of your story!
