

Behold Him | Mary

12.02.23

### **START TALKING**

Do you have a favorite or traditional dish that you eat every year on Christmas? Is it something you look forward to or dread?

### **START EXPLORING and SHARING**

Read Luke 1:26-38

In the message this weekend we learned four ways that Mary responded to God's call:

1. She treasured God's activity.
2. She turned to the Word of God.
3. She was grateful for her role.
4. She was brave.

- Which of Mary's responses do you admire most? Why?
- Which response would be the most difficult for you to live out?
- What does it mean for us today to treasure God's activity in our lives?

### **Start Praying.**

- Is there something in your life that is requiring faith and bravery from you that we could pray about right now?
- Is there someone you feel compelled to invite to a Christmas Eve service that we could pray for?

### **Start Doing.**

- This week, reflect on the roles God has placed you in related to your home, work, and church and make a list of things you are grateful for regarding each role.
